問題【英語】

　次の英文は、あるアニメを基にして、孤児院グレース・フィールド・ハウスでの３人の行動について述べたものです。１〜５の問いに答えなさい。

Children without parents were sent to Grace Field House. But, they enjoyed their life there. 38 children were (①) with Mom, but they were not a (②) family. The three oldest children in the house were 11-year-old : Emma, Norman, and Ray. They were also the (③s) in the house and could get full marks on their tests every morning.

One night, after Conny went out, Emma and Norman knew that Conny forgot something. They went out to the gate.

There, they could know the reality…Conny was killd by demons.　The children were (④) as food by demons. The (⑤), not a house. And now, Mom they loved was their enemy.

Now, because Emma and Norman knew the truth about the house, they tried to run away from the house.

But, Mom discovered that two of her children knew the truth. And Sister Krone joined the house. It means another adult watched all children. Ray joined Emma and Norman.

The three thought about the plan to run away from the house. Emma could find the tracking devices put in their bodies.

The children decided to play the game to run away from the house, but their enemies, Mom and Sister Krone, did their best to stop them…
